Over forty-five years ago construction was started on a high school on a hill overlooking Placerville. Nearly half a century and thousands of graduates later, El Dorado High School will be razed.

Day by day students trod over the ground that past students and teachers have also traversed, walk and learn in the same buildings, and do the same related things that their school ancestors had done.

*Eddie Elder, The Great Class of '67 4 11*

Floors become worn, walls become marred, and students graduate and enroll. These are signs of progress in a school whose progress depends upon its students and teachers to determine its destiny and future worth.

Whether talking on the phone or waiting for a rooters' bus, the campus provides us with a meeting place. Nearly all activities are centered around it. It is here, more than any other place, that friendships are kindled and memories gathered.

We will all graduate and go our separate ways, but we will never "leave" El Dorado. As time goes by visions may fade, but we will always remember quiet moments of confidence at the Senior Tree, or talking with friends while sitting on the lawn. We shall never forget our favorite moments at El Dorado. Times will change and people will change but memories will remain the same

As the campus is the center of activity, the main building is the center of the campus. Daily, people walk up and down the ramps as others have done for forty-four years. Thousands upon thousands of footsteps have sounded on the ramps and halls. Every school day since the school was built people have walked through its halls and its doors. Millions of words have been uttered outside the building before school, many more have been spoken on the inside.

So many different expressions this school has seen, too many to count. The happy faces, the sad faces, the worried faces, the expectant faces, faces filled with wonder, and not ever did the school see two faces exactly the same. So many times the bells have rung, calling people to class or saying they may leave, warning of possible danger, or drawing them to a rally.

Through each of our years at El Dorado  
main building has become a part of each  
everyone of us. It is this building in its last  
that we dedicate this book

Mr. Paul Wylie

Miss Briggs

The bulking is a symbol of life at El Dorado, but the most memorable were the days when the entire population was watching the school football game. The excitement and noise and the fact that the school was in the middle of the game made it a most enjoyable.

## Homecoming & School Spirit Week "Ash the Nuts" Theme

The 1972 Homecoming festivities began with a frivolous Spirit Week, with such sights as Heidi Sievert and Dan

class in their western attire, and Richard Worthy ready for a shoot-out in the main hall. Other activities included the evening contemplating of "nap-

kin-twisting." by Dan M. gory at the Senior float. highlight on Friday was parade downtown, featuring our El Dorado High S

## Local Freaks Frolic at Annual Hi-Jinx Oct. 26, 1972

Typical of Hi-Jinx madness, this year's celebration included the spooky haunted house and crazy class skits. There were all kinds of weirdos ranging from Mark Christensen as a swingin' beat dancer to Connie Morton as a goofy clown.

Shirley Gray, individual costume winner, raps with Doug

Wickman, as Kevin Shea, this year's honorary boy, in poses with Connie Morton. Out Ma and Pa (Fred and Sue Briggs) with their maddest little took first prize the "cutest couple." The pumpkin carving contest with the juniors as victors.

*Rallies and Assemblies Spark the Fun at El De*

one of the many activities at El Dorado is its many football games. Patty Graf (*center*) shows a bit

of the anguish that South Tahoe must have felt after we finished our game with them.

Among the many speakers that came to El Dorado this year was Sand Kross (*top right*) who told us about sex and dating.

The General Electric foundation sent two of their representatives to the school also. Here one of them (*center left*) is showing us how to make rubber in 30 seconds.

Not only did we have many assemblies this year but we had lots of rallies. We had rallies for the football games and basketball games and the powderpuff football games, (*bottom left*). At the rallies lots of different things happened, like Sportscaster Marijane interviewing Doug Wakeman (*far left*) and a group of bearniks (*bottom right*) rocking out at a spirit week rally.

## 'A Fantastic Production'

That is what nearly everyone who saw the play "Flowers for Agamemnon" said about it. The play was so well done that the cast received a standing ovation at almost every performance. The leading role of "Charlie" was portrayed by Kelly Gastaldi (*top left*), a 1972 graduate of E. Dorado

Also appearing in the play were Vernon Miller as Pops, Nedra Miller as Mrs. Miller, Kip Miller (*bottom left*), who played Charlie as a child, and Cheryl Walker (*bottom right*) as Charlie's mother.

## *'Bomb Scares' Became a Part of El Dorado's Activities*

Malanda Gladwill (*Top left*) made good use of her time practicing her guitar on the front steps of the boys gym (*right*). The students look very relieved to be able to return to their classes after the school had been searched. Shown here a few of our English teachers display great

pleasure at the thought of getting out of class.

Many moods are reflected by the students as shown by their expressions. (*Bottom right*) Some knew they had to make this time up and some didn't care.

This year's Christmas activities included the Drama Department's Road Show, headed and directed by Mr. Garmire, and a visit by Santy Claus (alias Doug Wakeman) who treated all the students to candy and other goodies from his "goody" bag. The Road Show, visited six grammar schools in the area, and featured two plays, "Wiggle Worm's Surprise" and "Mrs. Claus' Christmas Present."

In "Wiggle Worm's Surprise" (left) Nancy Karabinus is the heroine who saves all the trees such as Nadine Hiller

At the bottom left, are the woodcutters, the villains turning Marijane with her ax. In the play entitled "Claus' Christmas Present," shown at the top right, Claus (Rita Hoernig) is being asked what she wants for Christmas by Scott Francies and Jim Stroud, the Christmas Elves. Santa Claus, (Doug Davis) listens craftily behind a chair. (bottom right) Doug Wakeman as Santy Claus expressed his opinion about the whole idea of Christmas

## Something New Happened in the Drama Department

This year for its spring production the drama department tried something different; instead of concentrating all of their efforts towards just one production, they broke it up into three one-act plays called "Variations."

They presented them on March 15, 16 and 17th. The first of the three plays was "A Sunny Morning" starring Marjane

Beighly and Jim Feathers (*Top left*). Second was "Four Nations on a Scene" starring Rebecca Raine and Preston R. tree (*Bottom left*). The third play was "It's Called Sugar P" starring Anne Evans and Jim Stroud (*Top right*). At *Bottom Right* some of the actors are shown making set preparation between plays

The Redfleet that arrived with the passing of the year was the one that the students were looking for. It was a year of growth and change. They are quieter in their homes at the first assembly, a full growing, peaceful. But they grew bolder in the year, surprised. And they will grow bolder and bolder still with the maturity four years can provide.

| The California Scholarship Federation had a large membership this year.

To be in the CSF club, one must have a 3.5 grade point average and a required amount of academic subjects. They take one field trip a semester to some place of educational and social interest.

This year the club had a coke booth at one of the ball games to raise money for their field trip. As one of their other functions, they had a dessert smorgasbord, and each member brought a dessert dish from home.

## Choir's Many Concerts Built a Successful Season

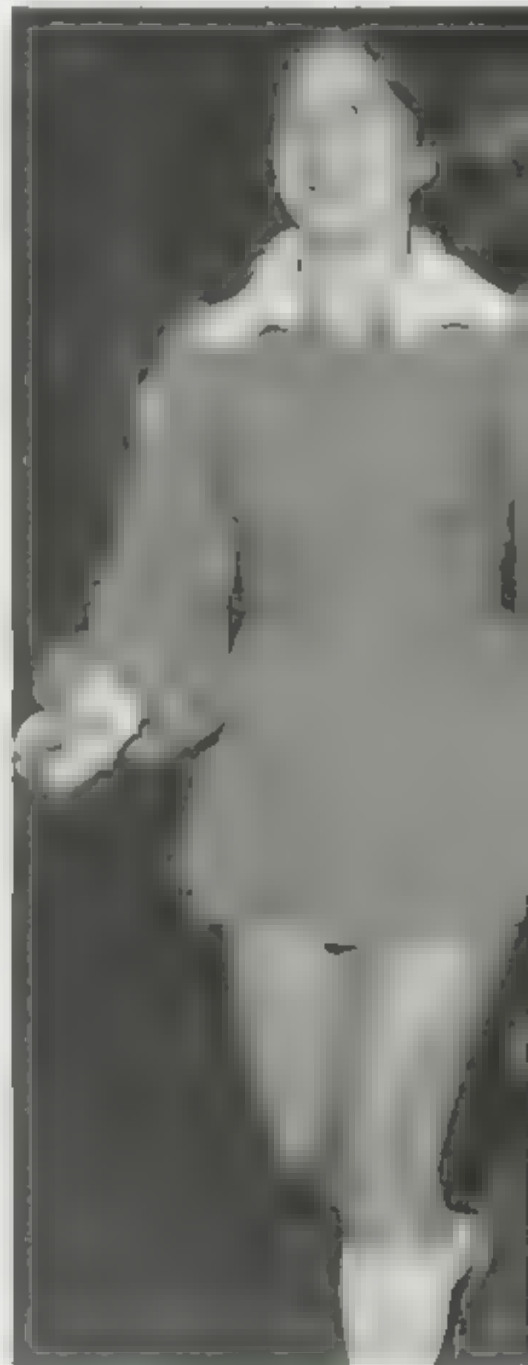

The El Dorado Choir gave many fine concerts during the year. On April 27th in the girls' gym they presented a pop concert which drew an appreciative crowd of music lovers. In May, the choir's major concert of the year, the Spring Concert, was received as a huge success. The choir also performed mini-concerts for the junior high schools of the area which feed into El Dorado. This gave the future choir aspirants a chance to see what they could be a part of.

*S.M.O. Cheered Their Way Through the  
Year*

This year's mascots were Mari-jane Beasley and Susie Moran. Mari-jane and Susie inspired enthusiasm at rallies and football games with their antics and wacky skits which involved the entire C.S.M.O. During the games the mascots clowned around with the team and promoted

team spirit with the opposing teams while inspiring their own.

The 1985 mascots were Jennifer Leary and Debbie Weston who attended all of the freshman games promoting enthusiasm for their team.

The junior varsity cheerleaders displayed the spirited enthusiasm needed for a winning team. The junior varsity cheerleaders were (left to right) Pam, Lori Escobar, and Rose Gonzales.

## Student Council Broke a Record

The '72-'73 year started out great with a student council which solved many major problems. For the first time in three years a student handbook was put out. Also, the student council established the foundation for a House Senate system, to replace the past student council system. This year's student council also made progress in plans for a new student council building to be built next year. At bottom are the student council members. They are (left to right) Jill Granthem, (Freshmen representative), Miss Boesch, (Advisor), Jeff Montgomery, (Vice-President), Doug Wakeman, (Commissioner of Publicity and Entertainment), Mary Williams, (President), Victoria Jackson, (Senior representative), Mark Fulton, (Junior representative), Denise Cook, (Assistant Commissioner of Finance), Valerie Brownlie, (Foreign Exchange Student), Wendy O'Meara, (Secretary), and Dan Ward, (Commissioner of Finance). Not pictured are Dan Bolster, (Student Director of Athletics), and Scott Gruwell, (Sophomore representative)

## Key Club Was Engaged in Many Activities

Key Club is a non-profit organization, aiding the community and school. They earn money with concession stands at many school activities, donating the money to such worthwhile groups as the Cancer Society. They also aid other clubs to earn money. *Below*, Phil Harvey stifles an itch during a meeting in Key Club advisor Curtis Bolton's room. The club's officers talking at the picnic table are (*bottom right*) Treasurer, Kevin O'Meara, Vice President, Phil Harvey, Secretary, Bob Parisi and Bob Huffman, President.

Though their activities are usually serious, they staged a fun-filled road rally, which was opened to everyone. The event had quite a turn-out, as the Club members directed cars all around the countryside in search of clues. *Below*, Chuck Baldwin directs Racy Rita Rasin to the track, as Bob Huffman (*right*) explains the route to a participant.

## President's Club Met for Betterment

This year's President's Club was making an all-out effort towards the betterment of all clubs. They had many meetings and discussions on matters of participation, constitutions and attendance. In this group are (back row, l. to r.) Erin Combs, Freshman Class, Lori Frye, Sophomore Class, Mary Williams, Student Council, Marian Eriksson, German Club, Heidi Burnett, G.A.A., and Kathy Payne, Girls' League. ## Work Assured Victory for Varsity Football

El Dorado Cougars started the '72 season slow, giving their first game to the Roseville Tigers 14-6. They then "got it all together" for a victory streak that lasted to five games. They made their comeback, defeating Nevada Union Miners in a last minute victory, 14-13. Then came home to trip the Hillmen of Placer, 20-13. Work was made of the Redskins of Calaveras, 20-0. Right of homecoming, Friday, October 13, resulted in a back for the Cougars as they mashed the mutts of Placerville, 30-0. Returning to the road they vexed the Vikings of Truckee, 28-8, leaving El Dorado with a total of

five wins and one loss to tie for first place in the Golden Empire League. To prove their mettle against the Marauders of Jesuit, the Cougars were "up" for the game and out-gained the Marauders 360 total yards to 180 total yards, but when the final buzzer sounded the Marauders had edged the Cougars by two points 28-26. In a blinding rainstorm they tackled the Galt Warriors. The weather hampered the Cougar attack and they fell to the Warriors 8-0. In the season finale the Cougars traveled to the Bruin's lair to clash with their annual foes at Ponderosa.

Again, the weather proved their undoing, and they succumbed to the Bruins 7-0. The Cougars captured a fourth place league standing and were proud to have five representatives win all league honors: Chuck Baldwin, Rusty Bolton, Lyle Herman, Don Reddin, and Shannon Strange. The '72 season proved an exciting one for the Cougars and an entertaining one for the true blue Cougar fans who followed their exploits.

## J. V. Cougars Made It a First

This year's Junior Varsity captured a third place in league play with a record of 3-1. The Cougars' season was highlighted by their thrashing the Jesuit Marauders 21-0. This was the first time an El Dorado J. V. team has

beaten Jesuit. The Cougars' offense complimented defense maintaining control of the ball, and preventing the other teams from any high scoring.

## Freshmen Find Season Challenging

The Frosh started their league season with a 12-6 win over Folsom. The Cougars continued their offensive, scoring sixteen points, while the defense allowed only six South Tahoe points. The following game against Jesuit proved the most exciting, battling to a 6-6 tie. The Cougars came back the following week to defeat Galt, 12-8. The last game of the season ended with the Cougars falling to Ponderosa, 6-14, ending the season with a 3-1-1 league record. *Left:* Frosh ball carrier fights his way through for touchdown. *Center left:* Cougar back moves in for the tackle during scrimmage. *Below:* Frosh ball carrier runs into tackler.

## Cross Country Marked by Individual Achievement

This year's cross country team ended a very successful season, both as a team and as individuals. The Frosh-Soph team placed first at Marysville, and the Junior team placed third, out of eleven other teams, at Nevada Union. In Golden Empire League competition, the Frosh and Junior teams placed third in their respective divisions, while the Varsity team captured a fourth place.

## Place Third in

Cougars started the league season by defeating Folsom in both. Next, Galt was hosted

Even though Galt put up a tough battle, they fell to the continued pressure of the Cougars, but the next time around, the tables were turned as they squeezed by at the end of the game, leaving no time for retaliation. Then, South Tahoe was the host and found out they needed more than height as El Dorado battled its way to the top. The Vikings, then, came down to even things up as they held on to a two point lead.

El Dorado hosted Ponderosa and found them to be of little trouble, as the whole team saw action that night. When these two teams met again, bad luck struck, for the Cougars found themselves, for the first time this season, without the aid of Lyle Herman. It took too long to adjust, for they could only pull within three points of the Bruins. Finally, El Dorado fell to Jesuit in both contests.

## The Season Proved To Be Tough for the N Cougars

Even though the J.V. team had a 3-7 league record, they held on to their Cougar spirit, as was shown by the final two league games. The J.V.'s showed that they were not quitters, as they fell to the Ponderosa Bruins by just two points in the second to the last game. Then in the final game of the season, the Cougars kept the undefeated Jesuit Marauders on their toes, as the Marauders could only hold on to very narrow lead, until the final moments, when they managed to increase it.

Most Valuable Player for the J.V. Team was Gary Gruwell.

1941

...and the sad moments which come to all of us.

Reigning over the 1972 Homecoming activities was Jill Zaramskas, escorted by Dan Ward. Jill was swim team captain in G.A.A. earlier this year, and a Baskadette during the fall. Most of her hobbies are sports such as snowskiing, hiking, tennis, and horseback riding. Jill's goal is to work in the field of hygiene.

Nominees were picked by FFA and voted upon by the student body dropping pennies in a ballot jar, representing their choice. Each penny counted as a vote for each candidate.

On November 19, the night of the exciting Harvest Dance, these candidates waited for the big decision from Kenny Loar, FFA President. The votes were tallied earlier and Kenny announced Nancy Thomas FFA Harvest Queen.

Nancy, a Junior, enjoyed taking part in Girls League and being a member of the FFA. Her court consisted of Princesses starting right to left with Senior, Shirley Grey, Sophomore, Stacy Smith, and Freshman, Terry Searle.

*Above left:* Nancy receives the final judgment from Kenny. *Above right:* Nancy and John Evans enjoy a dance together to celebrate the victory.

*Top left:* Carrie enjoys simple things at school like sitting under a tree just to think about all the things that happen each day. *Lower left:* Carrie also enjoys other things at school like visiting with Phil Harvey and Bob Huffman, Key Club Members. *Lower right:* Carrie and Don Mosbacher represent the sophomore's choice of Class Favorites.

As the school year comes to a close, Seniors will leave behind some of the best days of their lives. But the memories will linger on in a special way. They will remember the senior meetings and most of all, the moments of the year back building. This is the end and yet it is the beginning. The beginning of new responsibilities, new challenges, and a new life. It is time to choose a path and to pursue the knowledge acquired in twelve years of school. The graduates will go on their separate ways, living for their own ideals, and yet they will always be joined together in remembrance of the four years spent together at El Dorado High.

Think not of gloom by sinking suns,  
 But of the new day yet to come  
 The twilight rays long shadows cast  
 To end the glory of days passed  
 Walk soft through walls of solitude  
 Great citadel where thousands stood  
 The night draws nigh and none shall speak  
 In walls lost to immortal sleep  
 Rise up, oh sun, and shed the light, So all might see the  
 newborn sight  
 May future days bring nought but fun  
 By new paths walked by everyone  
 Think not of gloom by sinking suns,  
 But of the new day yet to come  
 The twilight rays long shadows cast,  
 To end the glory of days passed
